

## University of Nebraska-Lincoln Waiver

I am a volunteer of the University of Nebraska-Lincoln (UNL). I wish to donate my services to the University and understand the University will offer no compensation, payment, salary, and/or wages for service rendered. I understand that I am not eligible for University employment benefits, and that being a volunteer does not give me priority for University employment, and that I have no expectation of future employment. I agree to abide by the rules, regulations, and policies (including the Youth Activity Safety Policy) of UNL. I agree that I am under no obligation to provide volunteer services and that I am free to stop volunteering at any time. I understand that the University may terminate its volunteer relationship with me at any time, with or without notice or cause, at its sole discretion. I understand that as a volunteer I have an obligation to protect confidential and/or sensitive information of the University (such as information in student or employee records), and that confidentiality must be maintained concerning internal University information. I understand I am performing volunteer activities at my own risk and these risks may include travel, using small equipment and physical exertion. I agree that I am physically and mentally fit to participate in said activities and agree to release the University of Nebraska Board of Regents and the entity's officers, agents and employees from any liability should I be injured while performing duties as a volunteer. I understand I am a volunteer, not a University employee, and am not eligible for workers compensation. I understand that photographs may be taken of me from time to time for University publications or other uses. I agree that I have read and fully understand the above statement.
